#### ESCAPING GAS

During the past week there has been quite a little excitement at the Terminal station, as the whole building has been permeated with a heavy ofor of gas, and though men went systematically over all the pipes, no leak-age could be found. The gas company was informed and this morning a gang or men were busy tearing up datharine street, trying to find the carth, the smell was worse than ever, and if was found necessary to place batton in their nostrils to keep from turning side.
